After a battle the winner

Dark-bird & Wing Seemingly killed each other, Dark-bird returned.

So Wing returned as well & he didn't really die. After Dark-bird was

thrown off & overcame, Wing would be in the air so

Phantom-Specter didn't know

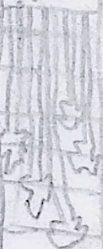

him

There's only one reason why
Arsenic is called Arsenic
You tell him. Gun says he says
Arsenic.

Christine learns by day
 is the executive secretary
 of the President of OTH,
 But by night she works
 her other talents to work,
 by working for CHAOS.

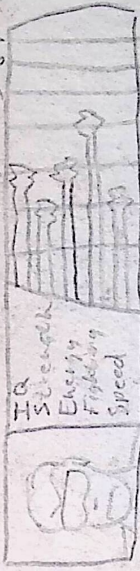

After a month killing
 Sweet's Wing "gave it food" himself
 to destroy Darkbird who
 was the cause of the ravage,
 Except Darkbird "rose" again.
 It was only with the "help"
 of Phantom-Spectre that new Wing
 was finally able to defeat him.

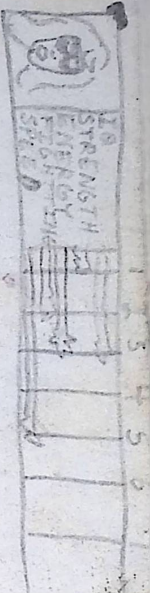

PROF. QUINTALIS

As President of D.T.M.
 this man has resources galore.
 Resources he uses to help
 better the group in which
 he helped create: CHAOS.

MADAME SCARLET

Vivian le Duke is a model
 who has as many boyfriends
 as there are stars, but at
 night, she uses her magic
 to annihilate the gods who
 cross her path.
